

PowerAdapter

- You can borrow swiss international power adapters in office Y27-J40, **for use at the institute.**
- We do *not* offer power adapters for private use. Not for guests and not for members of the institute.
- Please buy your own adapter at the 'Migros' or any other dealer.

Guest rooms

- You should find fix installed power adapters on the desk of guest rooms.
- Please do not remove them.

Beamer presentations in the seminar rooms

- Together with the Video cables there should be a powerline with an international adpater.
