Jetbrains: !PyCharm / C-Lion / !PhpStorm / ...	Jetbrains Edu License	https://www.jetbrains.com/	yearly renew necessary
MS Windows	see below		
MS Office	see below		

- Microsoft UZH: As UZH member, please check
 - Office 365 **free for all UZH** members: <https://products.office.com/en/student/office-in-education>
 - Students: <https://www.zi.uzh.ch/de/students/software-elearning/microsoft.html>
 - Employees: <https://www.zi.uzh.ch/de/staff/software-elearning/microsoft.html>

MS Office on your private computer

- You need your `uzh_shortname` and the `AAI` password (typically identically with your WLAN password for 'public', 'uzh' and 'eduroam').

- Buy key and get URL to download software: <https://www.studyhouse.ch>
 - click on **Anmelden** > choose 'Universitaet Zuerich' > login with uzh_shortname / AAI password.
 - Choose Microsoft Office version, license and language:
 - Microsoft Office / Office 365 University ESD: costs around 80 CHF
 - **Right to use for 4 years. Even if you leave UZH. Including 1TB online storage.**
 - Microsoft Work-at-Home > Office Professional Plus > Office Professional Plus 2013: costs around 20 CHF
 - **Right to use as long as you are UZH employee.**
 - After paying you receive a URL to download the software.
