Create a 'saved search'

- Official How To:
http://www.oai.uzh.ch/index.php?option=content&task=view&id=419&Itemid=295&mos_id=1&lang=en
- Go to: <http://www.zora.uzh.ch>
- Log in with your Uni Access account.
- Click: 'Advanced search'.
- Fill fields:
 - *Creators/Editors*: Family Name of the Autor
 - *Communities & Collections*: 07 Faculty of Science > Institute of mathematics
- Click: Search.
- On top of the page under "Displaying results": Click "**save search**"
- Properties of a saved search
 - *Name of search*: Publications of <name>
 - *Make search public?* Yes, make this search available to anyone.
 - Click: Save
- The new search is listed on the page 'saved searches'
- F.e.: Such a URL could be listed as a personal link under 'Publications' on the Institutes Website. Just create a 'publication' with the URL in Local Info.
